

Description

CASA 1057 Anti-Wick compound is a elastomeric coating that seals cutouts from moisture for door window cutouts in RVs, and has excellent adhesion to all building materials.

Advantages

- Water-based coating
- Quick drying
- Zero VOC
- Non-flammable
- Easy water clean up when wet
- Highly water resistant when dry
- U. V. stable
- Available in two colors—white and clear

Application

CASA 1057 Anti-Wick can be applied by brush, roller or spray. Surfaces must be clean, dry and free from oil, grease and any other foreign matter. Clean up tools with water when wet.

Packaging

- 5 gallon pails
- 55 gallon fiber drums

Shelf Life

Six months from the date of manufacture in unopened container.
