

CASA

Quick Clean 6

Low Odor Adhesive Remover

Description

CASA Quick Clean 6 is a concentrated, non-flammable, low odor cleaner that is ideal for use in occupied buildings, especially those with sensitive environments, such as manufacturing plants, healthcare facilities and schools. Use Quick Clean to remove over-spray and adhesive residue.

Advantages

- Non chlorinated solvents
- Concentrated formula
- Non flammable
- Low odor

Application

CASA Quick Clean 6 must be diluted prior to use. **Do not use full strength.** Mix 4 to 6 ounces per gallon of water into a clean pail. Mark this container as diluted Quick Clean. Use this solution with a rag to clean over-spray from non-porous surfaces. This same dilution of Quick Clean can be used to clean spray equipment and fluid hoses. Put a diluted gallon of Quick Clean into the spray pot and spray it through the fluid hose and spray gun into an empty container. Then spray a gallon of clean water through the system (VERY IMPORTANT). Diluted Quick Clean containing a maximum of 6 ounces of concentrate per gallon of water can be disposed of down a sanitary sewer.

Packaging

- 1 gallon containers—packaged 4 gallons per carton
- 5 gallon pails

Shelf Life

One year from the date of manufacture in unopened container.
